My name is
Piper Crow.

This is my brother
Otto Crow.
We like to play together.

PARALLEL PLAY!!!

Otto and Piper like to play together
in their own ways! No one judges
Otto or tries to fix him for playing
differently by lining up toys

Sensory!

This makes Otto happy because this is
the way he likes to be told "I love you."
This makes Dad happy, too.

Otto's family loves him the way he needs
to be loved, like with deep pressure hugs
and comfy clothes! His family is happy
to accommodate him & do not mourn his
differences.

Otto likes twirling **yellow**
pipe cleaners while he spins.
I like to dance and play dress-up.

**MEG RABY FREED THE STIM! OTTO IS ACCEPTED FOR STIMMING
HOW AND WHEN HE NEEDS TO STAY REGULATED**
