

Elie Rebarbar & Bekki
Semenova Shine a Light on
Selective Mutism

A black flashlight is positioned in the top-left corner, casting a wide, yellow beam of light across the dark background. The beam is the primary source of illumination, highlighting the text and the illustration.

Let's
shine a
light on
selective
mutism

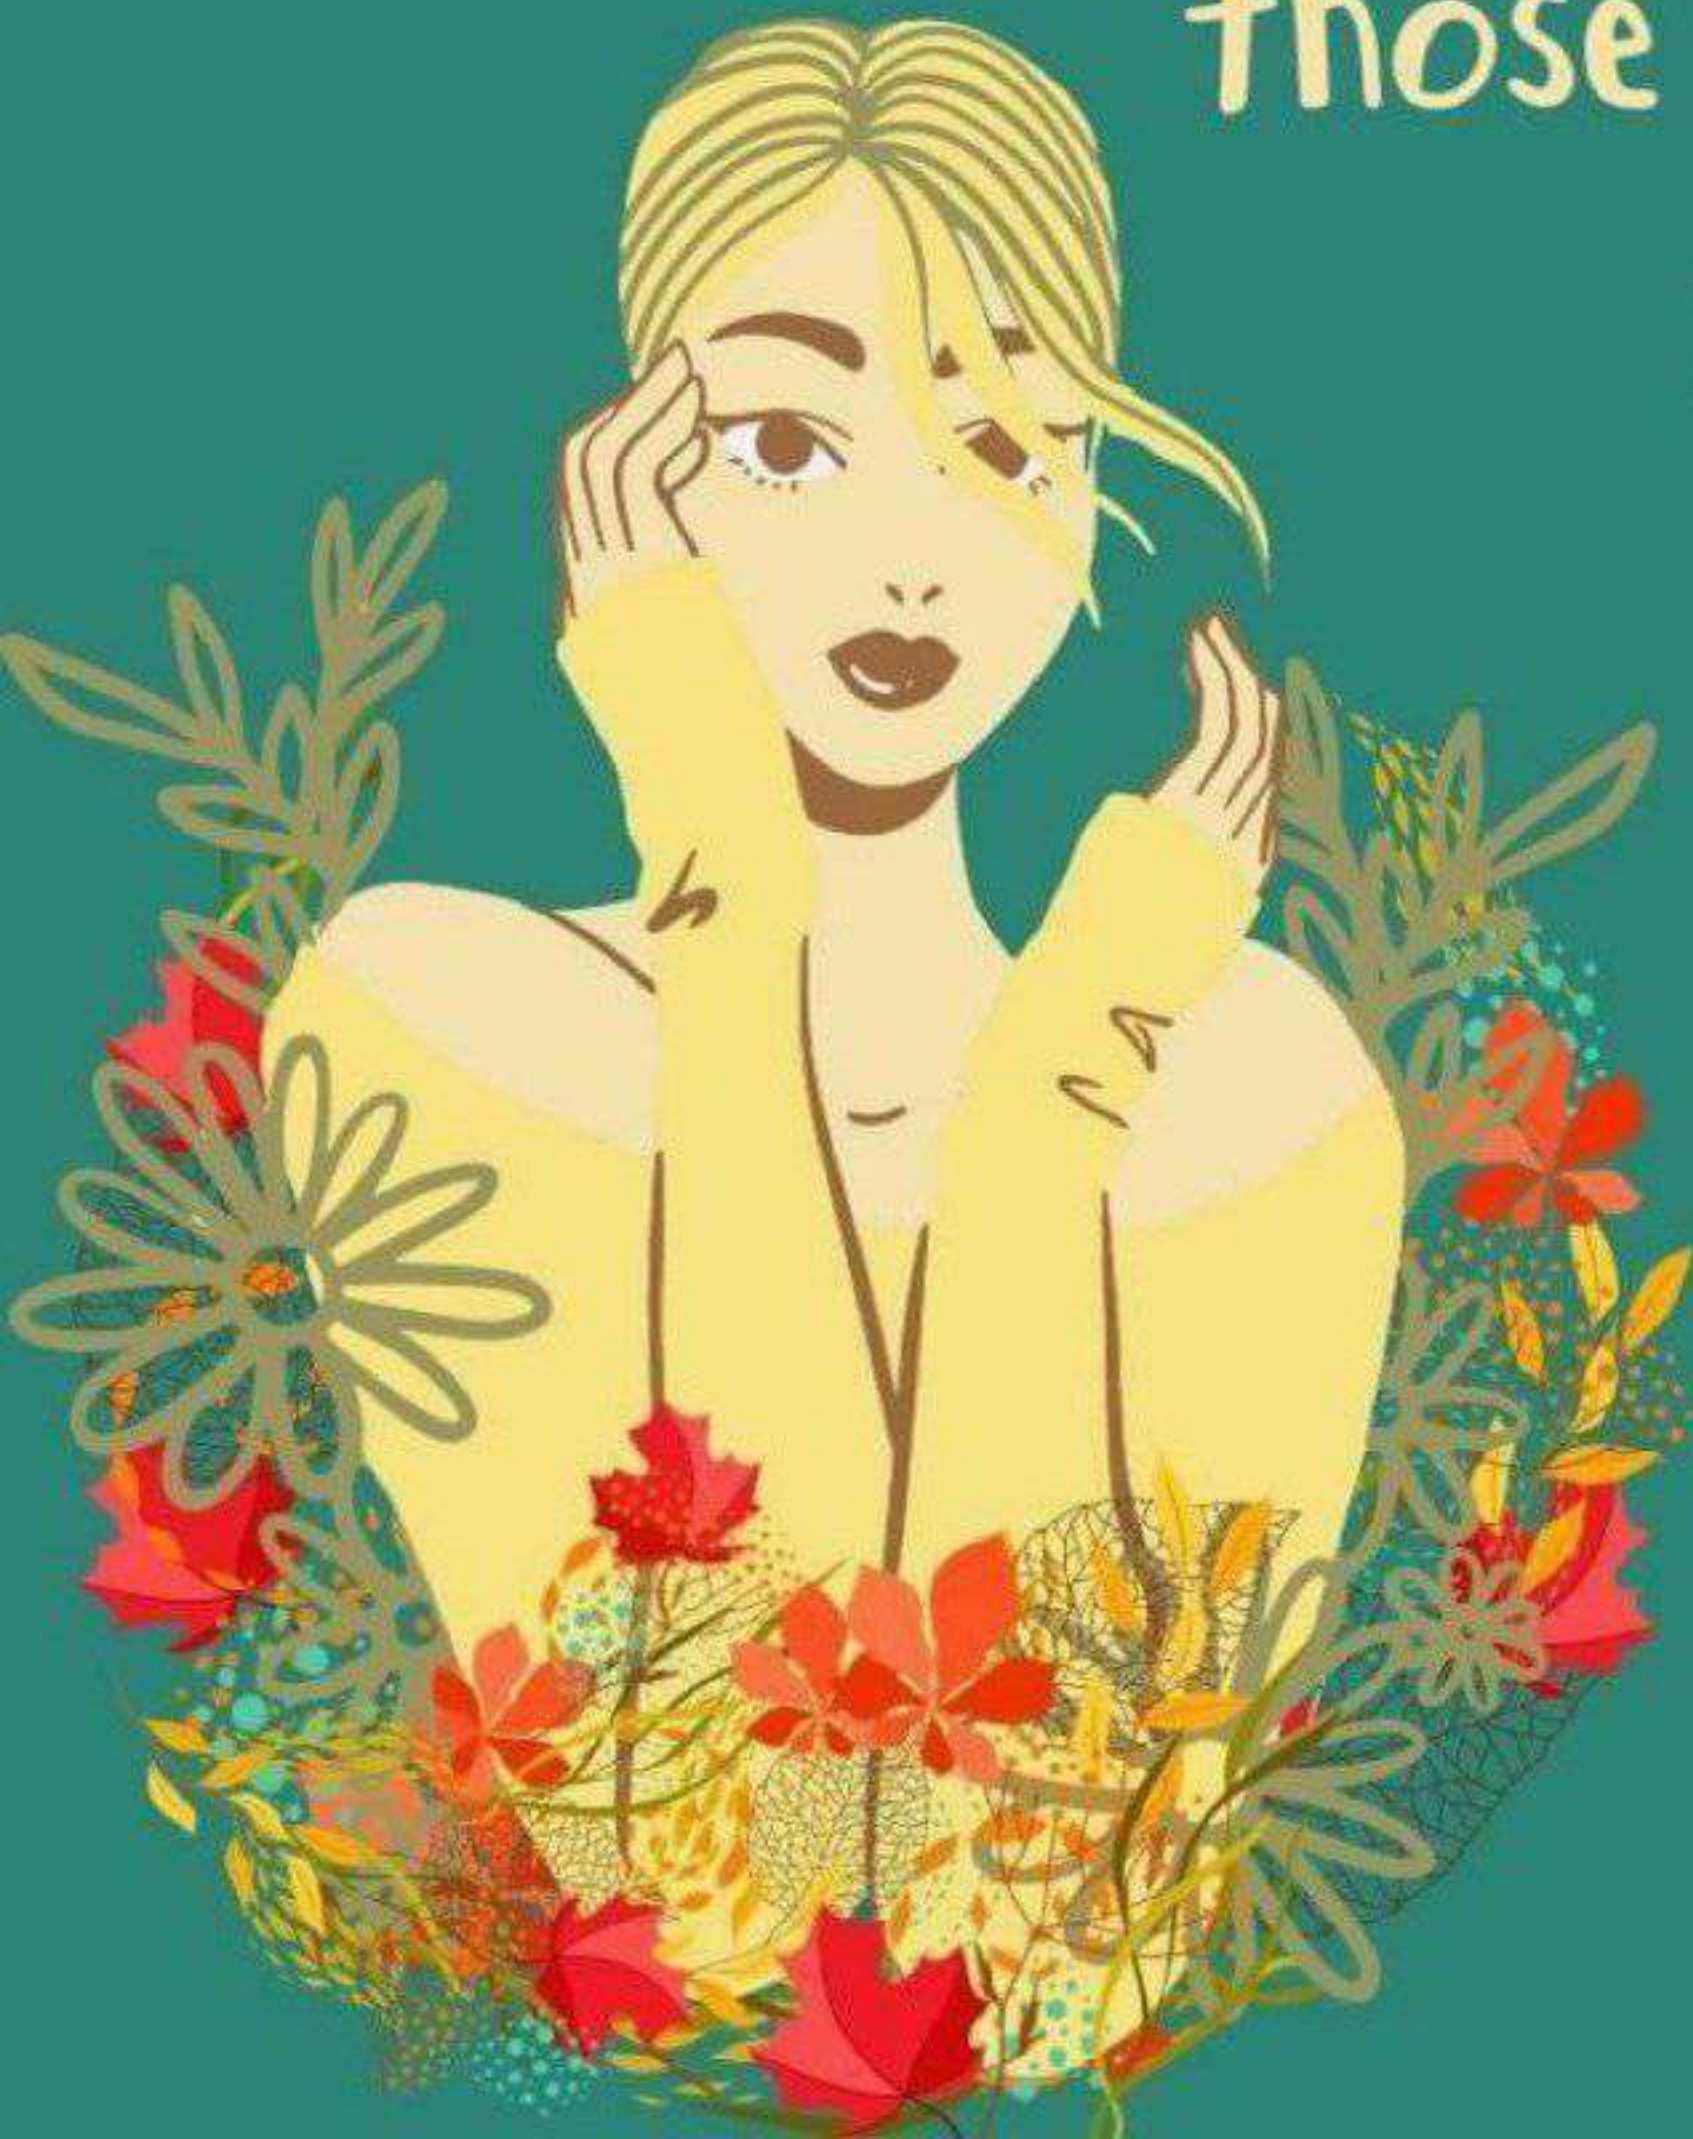

@NeuroClastic

Bekki Semenova

As allies, let's build a
community of awareness
and acceptance around
those with selective
mutism.
