@NEUROCLASTIC

A lush green forest with sunlight filtering through the trees. The scene is filled with dense foliage, with some trees in the foreground showing golden-brown leaves, suggesting an autumn or late summer setting. The background is a soft, hazy green, creating a sense of depth and tranquility.

working on
those goals that
get us to keep our bodies
in check please only those
who write our goals for us.

-tejas rao sankar

Can I teach
myself to have a
goal that is less
than myself?
When to lower
your goals is
the autistic's
question.

Questioning myself
is the way I live.
